

DATCU App – Activate a Card

Follow these instructions to activate your debit/credit card on your DATCU Mobile App.

1. Log into the DATCU App, then select "Cards" from the menu bar on the left-hand side of the screen.

Within the Cards menu, swipe the screen from right to left until you locate the card number you would like to activate, and then select "Activate Card". Repeat this process for any additional cards you would like to activate.
